From the Principal's Desk,

Dear Parents and Carers,

P&C Appreciation Stall

My thanks again to the members of our P&C for organising the Appreciation Stall. It is always a delight for children to have the opportunity to choose that special gift.

We are very fortunate at Windsor Park to have such a dedicated group of parents, especially in these very different times. However, I know the P&C welcomes all members of our school community to join with them, not only for their work in fundraising but also to address any concerns and be part of the planning within the school. Contact can be made through the P&C Webpage which also keeps parents up to date as to community happenings.

A special **Thank You** goes to our Leaders who assisted as volunteers with the stall.

Planetarium

A big **Thank You** to Mrs Barrett for all her work in organising this incursion. Mr Gary Starr sent the following message to the school after his visit:

"I just wanted to say that it was a pleasure visiting your school. Your students were great. Engaged, respectful and well behaved. They asked some fantastic questions and I hope that I have inspired them to find out more about our universe. You and your staff should be very proud of them."

Inappropriate Behaviour

I am greatly concerned by the unacceptable rise in the number of students using inappropriate language and reckless behaviour within our school. Our Student Welfare and Discipline Policy stresses that at

Continued from the Principal's Desk...

Windsor Park Public School we expect all members of the School Community to act in a safe manner and to be treated with respect.

Inappropriate language used within the school or reckless behaviour will therefore not be accepted.

Consequences have again been discussed with students, and teachers will be removing students from the playground or classroom and parents notified if students display these types of behaviour. It would again be appreciated if this matter could also be discussed at home so that we maintain a safe and respectful environment at school.

Kindergarten 2021

If you have a child who will be enrolling in Kindergarten for 2021, please assist us by collecting, completing and returning an enrolment pack. Packs are available from the office. Please call us to organise the collection of a pack.

If you are aware of a family in the area who has a child who will be enrolling in Kindergarten for 2021 please ask them to contact the school office on 4574 3070.

We are presently working on ways in which we can engage our Kindergarten 2021 students in a transition experience.

Mobile Phones

Unfortunately, despite our rule around mobile phones being very simple and clear, some students have continued to have phones out of their bags during in-school time. Any student who has their phone out whilst at school will have that phone sent to the office and held until home time. If parents need to have contact with students at school please phone the school office on 45743070.

Spring Holidays

As this is the last Newsletter for the Term, the staff and I hope that all students, parents and carers enjoy the spring holidays. We look forward to seeing you next Term.

All Students Return Monday 12th October

School Safety and Security

Once again, I ask all our community if there are any concerns about people on the school grounds out of school hours to report to the **School Security** on **1300 880 021**.

Focus Behaviours:

This week we are reminding our students that our community expects that we become good citizens and that we are:

- **Playing safely in our school!**
